Dear Candidate for Board Certification:

Legal Specialist Certification was developed primarily to assist legal consumers in identifying and evaluating the credentials of lawyers and to assist the match of the lawyer with their needs. Certification allows the attorney to use the term "Real Property Law Specialist." *Mn. Rule of Professional Conduct. 7.4*. In a statewide survey of Minnesotans conducted by our program, respondents demonstrated overwhelming support for legal specialist certification. Your Specialist certification will be a sign to the legal community and to your clients that you are willing to submit your knowledge and experience for objective verification by your peers and we wish you success.
