

## THE MACALESTER TRIALS Saturday January 14th, 2012

Macalester College will be hosting a small invitational mock trial tournament for Minnesota high schools this January.

**TOURNAMENT DETAILS:** Each team will compete in three trials, one on each side in the first two rounds, with the sides for the third round determined by a coin flip. \

The registration fee for this tournament will be \$30 per team.

Schools should provide one scoring judge for each team registered.

The tournament will provide trophies to the top four teams.

Insofar as it is mathematically possible, we will not have trials between teams that are scheduled to hit during the first two rounds of the regional competition.

The tournament will be limited to 16 teams.
