### *Ethical Pitfalls in Administrative Law*

Presenters:

**Honorable Beverly Heydinger**, Administrative Law Judge, OAH  
**Martin A. Cole**, Director, *Office of Lawyers Professional Responsibility*  
**Jeanne Olson**, Executive Director, *MN Campaign Finance & Public Disclosure Board*

Breaking the law is never a good thing, but doing so without even realizing is arguably worse, especially if you are an attorney! Have you ever thought about how advocacy for your client might cross the line into lobbying? You might be surprised to find out that you are a lobbyist and not just an advocate for your client. Do you know what your obligations are when you are appearing before city councils or other administrative bodies? Attend this CLE to learn about this and other interesting ethical questions that arise in the context of administrative proceedings and to ensure you stay in the good graces of the Lawyer’s Professional Responsibility Board and the law!

A buffet breakfast and beverages will be provided with registration.  
1.0 hours of Ethics CLE credit will be applied for.
