## **MSBA BANKRUPTCY SECTION**

### **Minutes of Section Meeting on November 17, 2009**

A meeting of the MSBA Bankruptcy Section was held on November 17, 2009. Those in attendance are listed above.

Chair Eric Sherburn called the meeting to order at approximately 6:05 p.m. A motion to approve the Minutes of the September meeting was made and approved by a voice vote.

Old Business: Eric announced that the Bankruptcy Institute held in October attracted the largest number of attendees in the event's history. The approval of the Section bylaws, which was discussed at the September Section meeting, would be postponed to a future Section meeting due to the notice provisions of the MSBA.

New Business: Eric announced that Bankruptcy Clerk's Office had recently held its annual employee appreciation event. Eric was invited and represented the section at the event. David Galle announced that the Section's annual holiday reception would be held on December 1, 2009 at the Lexington Restaurant in St. Paul from 5:30 to 8:00 p.m.

Report from the Court: Judge Kishel noted that several changes to the Federal Rules of Bankruptcy Procedure become effective on December 1, 2009. Chief Judge Dreher reminded the Section members that several changes to the Federal Rules of Civil Procedure have also been changed.

Report from the U.S. Trustee: The U.S. Trustee's Office introduced, Colin Kreuziger, as the newest attorney to join the U.S. Trustee's Office.

Pro Bono Committee Report: Mary Cox reported a new concept that the Pro Bono Committee has been discussing. Often the individual that show up at the Bankruptcy Advice Clinic do not qualify for pro bono assistance. The Pro Bono Committee is contemplating creating a list of referral attorneys for use at the Bankruptcy Advice Clinics for attorneys that would agree to provide some level of pro bono service. The Pro Bono Committee invites comments from the Section membership on this idea. Comments can be shared with any member of the Committee and the Section members are encouraged to voice their opinion on the program.

Bankruptcy Bulletin: N/A

Treasurer's Report: David Galle reported that the Section is generally able to meet its obligations as they become due, at least for now.

Other Report:

Educational Program:

completed and what the result means? This program will address the UST's current position on how form B22 is completed and the form's impact on a chapter 7 case. The presentation lasted approximately 50 minutes.
