

MSBA Civil Litigation Section
Time's Up Manual Order Form

We have exciting news from the Civil Litigation Section! We completely updated the Time's Up Manual (A Manual of the Statutes of Limitations in Minnesota for Civil Litigators). The Manual identifies and organizes time limits imposed for civil claims by the Minnesota Statutes. The Manual covers time limitations in the Minnesota Statutes, Minnesota Rules of Civil Procedure, General Rules of Practice in the District Courts, and the Minnesota Rules of Civil Appellate Procedure.

The updated edition of the Manual is now available for purchase. The Manual is available in electronic format (via CD) or hard copy (via 8.5" by 5.5" three-ring binder). Please fill out the order form and submit the form with payment to the MSBA Civil Litigation Section.
