

Education Committee Report
Sally Mortenson

The Elder Law and Health Section are scheduled to present four joint one-hour CLE's on "Legal Issues at the End of Life" at the Nine Days in June MSBA meetings.

We prepared four scenarios, representing common situations we have experienced in our practices. Presenters were also asked to contribute resource links for those who want more information about elder law or health care issues. The links are available at the Nine Days in June section of the MSBA site.

As of today (June 13), the only presentation which has occurred was the June 9 presentation to the First District Bar Association. It was very well received, with many questions from the audience. Most questions concerned health care directives.

Presenters from the Elder Law Section include Laura Zyndchec, Sally Mortenson, Laurie Hanson, Suzy Scheller, and Pook Grathwal.

I recommend that we do this again next year if we are given the opportunity to do so. Since there are nine district meetings, perhaps we can participate in four different districts next year.
