Student Committee Report to the Elder Law Section Governing Council

The Student Committee has met twice since the last Governing Council meeting. Discussions have centered on our upcoming CLE at the Elder Law Institute. The Student Committee will be presenting a breakout session titled "Ethical Issues in Elder Law" at 1:00pm on Friday, October 8<sup>th</sup>. In other business, the Elder Law Student Association at the University of St. Thomas is seeking an attorney who can address issues in the area of elder law practice for the group and other interested students. More details will be forthcoming.
